## **Annual General Meeting held on 13<sup>th</sup> October 2020**

under Covid-19 Regulations

The following is a brief account of the reports to the meeting.

The Secretary reported that it had been a Roller Coaster of a year and although relevant up to 31<sup>st</sup> March 2020 it was impossible to give without reference to more recent events. Then numbers prior to lockdown had depleted and would need to be addressed when we were able to reopen. The Autumn Fayre and Christmas Raffle and Celebrations were a distant memory.

The main achievement for the year was the final installation of double glazing and the property is now fully insulated.

The Volunteers met in February 2020 realising that it would be some time before it could reopen. They made themselves responsible for those who had attended and have done a grand job by telephoning shopping and generally consoling them as much as the regulations would allow.

Under AOB we did learn of a Dementia Care project that is in hand and if it comes to fruition will bring hope for anyone managing dementia and be an asset to Nora Parsons Day Centre.

The Treasurer reported a loss of income over expenditure due to fewer members and the cost of the final phase of the double glazing. The Bank balance as at 31<sup>st</sup> March 2020 stood at £15,849.35

Grants and donations from many sources had been received for which she thanked them and anyone requiring further information should apply to any of the sources given above.

We are scouring legislation daily to find ways of opening up the Centre and will do so as soon as it is safe to do so, In the meantime we are caretaking the premises and making small improvements where possible.
